

# GSK Science in the Summer™

## Oceanography for Kids

Entering grades 2 through 6 in the fall.

Explore **Oceanography** at  
**Royersford Free Public Library**

**June 22<sup>nd</sup> & 23<sup>rd</sup> OR July 27<sup>th</sup> & 28<sup>th</sup>**

**Level 1 @ 10:00 - 12:00 | Children entering  
grades 2 and 3 in the fall.**

**Level 2 @ 1:00 - 3:00 | Children entering  
grades 4, 5 and 6 in the fall.**

During this hands-on program, students will get a close up look at coral, sponges and sand dollars; view marine micro slides and learn about oceans and the water cycle.

**Royersford Free Public Library**  
200 S. Fourth Ave., Royersford, PA 19468  
610-948-7277

### What is it?

*GSK Science in the Summer* is a fun and free science education program sponsored by GSK and administered by The Franklin Institute, which introduces students to the wonderful and fascinating world of science.

Through classes held in your local public library and taught by certified teachers, this program gets kids excited about science with hands-on experiments. Classes are small with 16 students each, so be sure to register early!

- Level I classes are for children entering grades 2-3.
- Level II classes are for children entering grades 4-6.

### Need information?

Visit [www.scienceinthesummer.com](http://www.scienceinthesummer.com) for details about program locations, dates, and times.

- **New for this year - Registration will be online instead of in-person. Parents MUST have an email account.**
- Use your home computer or visit your local library to use the public computers.
- Registration starts May 4 at noon, and will be processed in the order received. Register your child at [www.scienceinthesummer.com](http://www.scienceinthesummer.com)
- Choose the Greater Philadelphia location, then choose Montgomery County.
