The Summer Reading Program was a tremendous success! Our kids & teens logged 1,321,100 minutes in just 9 weeks of reading this summer! That equals 917 days or 2.5 years! Congratulations to all of our prize winners and to all 2,013 readers who helped us to beat our goal! Thank you to our patrons, donors, and library friends who gave their time and support to make it all possible. We couldn't do it without you!
