

November 19, 2009

Greetings! The A/V Department has recently organized all of our Ellison Die Blocks to better serve your special display needs. Please submit your requests to the department 3 weeks in advance, as well as a printing request/order form. The following is a list of all the dies (shapes and characters) held by the department. Please feel free to request a sample if you are not sure what it looks like. You can also stop by the department and view the collection.

Thanks!

Cheryl Milligan
