Welcome to our Books-By-Mail Service

This is a free service for any resident of Montgomery County, who is a short term or long term convalescent or permanently homebound.

To register, please fill out the form (both sides) on this brochure and return it to:

**Montgomery County -
Norristown Public Library
1001 Powell Street
Norristown, Pa. 19401**

Please have your doctor or service agency (such as visiting nurse, homemaker-home health aide, head of retirement home, clergyman, etc.) sign your paper signifying that you are a short term or long term convalescent or homebound and therefore qualify for this special service. Be sure to fill out the section that states whether you wish to receive regular print, LARGE PRINT, and/or books on tape.

You can order any material of your choice (by title, author, or subject) You may order as many items at a time as you wish and may usually keep each item for one month. Ordering can be done by phone or by mail.

You will receive your first response about a week after you return the request form. Included in each package will be the requested material, a new order card, a return mailing label and return postage. When ready, simply use the same package to return the materials.

All mailing costs to your home and all return postage will be paid by us.

We hope you enjoy the books-by-mail service. If you have any questions now or in the future, or would like to request materials, please call:

**Montgomery County -
Norristown Public Library
