Dear Friend of the Library,

Please help us meet the challenge of sustaining & enhancing your library services in the coming year. Thanks to your generous support of last year's financial challenge grant, a Library Supporter has again offered to make a \$1,000.00 donation, if we raise \$10,000.00 in local support. With state funding weak, we rely on donations and support from you to help us provide and expand our programs, classes and services. ***With your help we can reach our \$10,000.00 goal!***

We're proud to report that 1,989 people participated in our Summer Reading Programs and logged over one million minutes of reading. Congratulations to our awesome community of readers!

Are you aware of all that is available to you as a member of your Library?

- Children's Programs with story times for babies & preschoolers; specialty story times and classes focusing on art, dance, music & science; Family Programs with professional children's performers; Summer Reading Club for all ages and "Science in the Summer"
- Adult Programs featuring book discussions, card classes, mahjong, yoga and Medicare counseling.
- Online Resources: Magazines, Language Skills Courses, Reference USA, Philadelphia Inquirer, World Book Reference Center and Tumble Book Library for children
