Thursdays, June 29 through August 10

Sew Awesome! – 3:00 pm – Learn how to sew by hand and with a sewing machine. Make fun, usable projects! For kids entering grades 4-6. **Registration required.** Class size is limited.

Thursdays, June 29 through August 10

Twilight Tales – 7:00 pm – Family storytime! Our activities will be a mixture of fun and learning with stories, songs and an occasional craft and parachute play. For ages 0-7 with a caregiver. Drop in.

Fridays, June 30 through August 4

Mad Scientists' Club – 3:00 pm – Join Turner Concepts for hands-on STEM experiments and projects. Build a car, shoot a rocket, make a volcano, make a cotton ball launcher, and more! For children entering grades 1-5. Drop in.

Thursday, June 22

Science Tellers! – 6:00 pm - Set sail with us on a thrilling action-packed adventure about a crew of quirky pirates marooned on a deserted island. With mutiny and high-tide looming, they must rescue their salty captain and find a way to construct a ship before all hope is lost ... at sea! Planks, sails, rigging, rails... what else could building a pirate ship possibly take? Throughout the story, volunteers from the audience will help us explore the incredible science behind clouds, flash paper, air pressure, inertia, explosions and more. Don't miss this refreshing nautical tale with a twist! For children age 4 and up. Drop in.
