## *Summer Reading List: Grade 10*

The teachers of Norristown Area High School feel that it is important for students to continue to work on acquiring, maintaining and improving reading and analysis skills through the summer months as well as appreciating literature and reading for personal enjoyment. To that end, the teachers in the English department have put together the following lists of titles for grade 10. **Students taking English II Weighted Honors are required to take notes on their reading using annotations in the book.** Students in Weighted Honors may use their annotated novels on an assessment that students will be required to complete upon returning to school.

**ALL** students entering Grade 10 in English II should read one book either from the suggested list **or** a book of their choosing. The book must be a minimum of 200 pages.
