June 2020

Making Progress!

Now that we are in the COVID-19 Yellow Phase, library staff are back in the building, working through our backlogs and preparing for our phased reopening. We need to make sure we can do so in a way that complies with government directives, and safeguards the health of our staff and patrons as much as possible. The situation remains fluid, and we need to stay flexible. This is what we do know:

- If you have holds waiting at the library, we will contact you to schedule a pickup date & time.
- For the foreseeable future, ALL returns will be made in the book return box on our porch, so we can ensure materials are quarantined for at least 48 hours. There is no rush for you to return materials, as due dates for materials have been extended for everyone.
- Please DO NOT leave book donations on the porch or in the book drop. We can't accept them at the current time.
- Please DO take advantage of our digital resources, and plan to join in on the fun for our online Summer Reading Program! We hope to "see" you soon!

We love our patrons!
From all the staff of
Conshohocken Free Library

Who's ready for Summer Reading? WE ARE!

Things may look a little different this year, but the reading and the fun will be the same. This year's online reading program powered by **Beanstack** allows patrons of **ALL AGES** to track their reading and complete fun activities from June 20 - August 15, 2020. Our Beanstack site is for everyone - Young Children, Children, Teens and Adults! And it is easy to use on a computer, or through its app on mobile devices.

Every badge unlocked on Beanstack earns a chance to win a Mystery Raffle prize at the end of the summer. Watch for more information on signing up for Beanstack very soon.

In addition to Beanstack, we are also planning online activities to keep us all in touch and to get everyone excited about reading. Here are the highlights of the summer, and please see the June calendar (over):

- **Ran'D Shine: Magic Show & Demonstration**
Sat., June 27 at 11AM (all ages welcome)
- **Art Classes with Amy Grebe**, for Grades 5-8 (Wed. June 24 at 6:30PM) and Grades K-4 (Wed., July 8 at 6:30PM)
- **Center for Aquatic Sciences presents: Real Sea Life or is it Fanta-SEA?**
Sat., July 18 at 11AM (all ages)
- **Summer Fitness & Music Celebration** with Housel Fun & Fitness
Sat., August 15 at 11AM (all ages)
- **AND MORE!** Library staff will also offer weekly "Grab'n Go" craft packs, storytimes, virtual trivia nights, virtual game nights, etc.! Make sure to follow our social media, or keep an eye on our website for details!

Registration is required for all events, but is easy to do from our website or Facebook page, or call the library at 610-825-1656.
