September Update: Open hours and Porch pick-up!

We were so excited to welcome patrons back into the library in August! This month, we continue to be open for limited hours for browsing and checking out materials. We are keeping our popular porch pick-up hours as well. Computers are now available for 45 minute appointments; please call the library in advance.

The return box on the front porch is open all day, every day, for returns of ALL materials. We quarantine returns for at least 48 hours and then check them in. We will waive any fines that accrue during the quarantine period. Please understand we still cannot accept book donations at this time.

Museum Passes are back!

Some museum passes are now ready to check out, and we will add more soon!

Call the library on the day you want to borrow the pass to set up a pick-up appointment. Please bring your library card and your ID to the pick-up appointment. We will include any special directions needed to use the pass during "green phase" visits.

Passes available now:

- Academy of Natural Sciences
- Eastern State Penitentiary
- Elmwood Park Zoo
- The Museum of the American Revolution
- The Mütter Museum
- Penn Museum of Archaeology & Anthropology
- Woodmere Art Museum

Check with the library to see what we have ready to check out!
