Dear Friend and Supporter of the Library,

We hope you have been well during the unprecedented challenges of this year.

While the Library closed its doors for several months out of safety concerns, our staff and supporters like you rose to the occasion by pivoting to virtual programs and online resources. From the comfort and safety of your homes, many of you have participated in our preschool classes, story times, music, art and science classes, summer reading, local history and gardening programs. Our Library community is still connected! It's still strong!

**We hope you can once again invest in our community by donating to our 2020 Annual Appeal** as we are extremely thankful for you, a patron and supporter that embraces the Library as part of our growing community.

Every gift, no matter how large or small, has an impact, and is deeply appreciated! See how our Royersford Free Public Library community can benefit from your Gift Amount:
