

I talked to him if he was OK or still hurt. he said he is OK and not hurt. We became his friends and getting him that no one is he is a funny person. I kept him close and not and told him perfect or better, kind person.

he did get bullet a few times... but I helped him and still stayed with him.

TBC..

But it wasn't just him

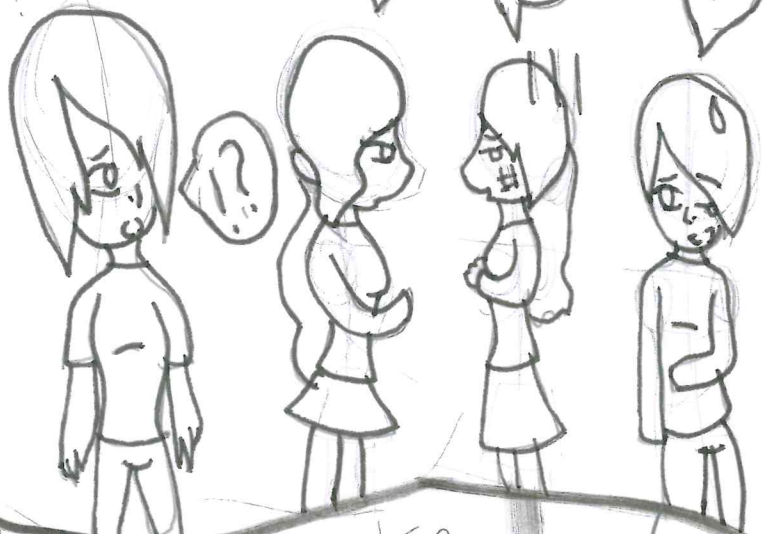

two students also got hurt

The Boy looks more hurt than the girl.

We told them if they are OK and what happened are OK and told them what happened.

they said the girl was getting bullied and the boy

and so friends! we became

we also helped other students who got hurt

The End!

But at the end we got together and stop Bullying
