

Summer Reading Program at Conshohocken Free Library June 12 - August 14, 2021

HAVE YOU TRIED BEANSTACK?

Montgomery County-Norristown Public Library & its branches are using the Beanstack platform again this year. Track your reading and log activities at mcnpl.beanstack.org. If you registered last year, you use the same account. If you are new to Beanstack—it's easy to get started! Sign up at the website, or download the app and search for Montgomery County-Norristown Public Library. Paper logs are available too.

Beanstack has something for everyone –young children, children, teens and adults—with activities specially designed for each age group. Everything you do on Beanstack unlocks badges, and earns you chances to win a prize at the end of the summer. As always, the Friends of Conshohocken Free Library group has collected some wonderful prizes that readers of all ages can win. Happy reading, everyone!
