# Welcome to Books by Mail

## Serving the Homebound

The Books by Mail program extends public library access to eligible homebound residents of Montgomery County, PA. This is a special outreach service of the Montgomery County-Norristown Public Library.

As a non-profit public library, it is our mission to provide patrons with opportunities to be lifelong learners and to experience the joy of reading. If you can't come to us, we send the library to you.

## How It Works

You submit a request for library materials to us. We check out the materials to you and mail them to your home in a courier bag. When your materials are due back to the library, you mail them back to us in the courier bag. When they arrive, we check the materials back into the library.

## Free of Charge

Each courier bag includes a return mailing label with the pre-paid postage already applied. All mailing costs to your home and all return postage to the library are paid by the Montgomery County-Norristown Public Library.

## Requesting Materials

You can order materials by phone, Email, and postal mail.

## Loan Limits

You may have up to 6 items checked out to you at one time. All items are checked out for a period of 6 weeks.

## Eligibility

To be eligible for the Books by Mail program, you must be a resident of Montgomery County, PA and homebound. If you do not have already have a library card, you also must complete a library card registration. The program defines "homebound" as unable to leave the home without considerable difficulty and/or assistance.
