

ROY'S NEWSLETTER

A NOTE FROM ROY

Hi friend!

I hope you are enjoying the beautiful, sunny days we've been having. I have been enjoying the days by laying in the sun, watching all of the outside critters run around, and admiring the flowers and trees that are blooming.

I am patiently waiting for summer break to begin for everyone so that I get to see more and more friends in the library. I can't wait to spend the whole summer seeing everyone and playing with my friends.

I hope everyone enjoys the end of the school year, and I can't wait to see everyone when school lets out!

Sincerely,
Roy
