1. Look for one of these icons on the desktop and double-click on it to open a web browser. If you can’t find one, search for one in the Start Menu.

2. Type the website address for our “Class Resources” page into the address bar, then press the Enter key:

   ![Website Address](http://mcnpl.org/class-resources)

3. Drag the Scroll Box downwards to move down the page. Let go of the mouse button when you find the course you’re looking for. Click on the resource you want to view. The “step-by-step” guides are our lesson plans.
